We request a refund to be credited back to our Deposit A/C 502766 in the amount of \$320.00 for the following reasons:

On our 9-30-08 Monthly Statement of Deposit Account, we noticed a charge of \$420.00 for the above-referenced patent application for fees code 1201 (Independent claims in excess of 3). However, the correct fee code should have been 1202 (claims in excess of 20) and we should have been charged for 2 claims at a large entity rate of \$50 (that was the fee at the time of the charge)—for a total charge of \$100 (not \$420). The claim count is based upon the Amendment B we filed EFS on 8-17-08. I called the Inventors' Assistance Center today (Ref. # 1-35419616) and they confirmed the claim count of 22 claims total with only 2 independent claims (claims 1 and 3).

Thank you for looking into this matter and letting us know the outcome.

Sincerely,

Loretta Garcia for
